

Soar 2010

Flight 19

"Stop, Look, Listen!"

Week One: July 5-9

Week Two: July 12-16

WHAT is SOAR? SOAR is a nature day camp where kids explore the Platte River and other outdoor environments in and around Hamilton County. By taking part in the many activities about science, language arts, history, agriculture and art, SOAR campers learn while having fun. There are two five-day sessions; both are for grades 3-6 (09-10 school year).

WHO sponsors SOAR? SOAR is a project of Prairie Plains Resource Institute, an educational land trust based in Aurora since 1980. Many local agencies, organizations, businesses and foundations

support SOAR. The planning and teaching staff members are Aurora teachers Amy Wilson, Mike Stewart, Bruce Ramsour and Ron Haden; and Jan Whitney (SOAR Coordinator), Bill Whitney and Amy Jones from Prairie Plains.

WHO can come to SOAR? Any student presently in grade 3, 4, 5 or 6 (school year 09-10) is eligible to attend SOAR. We can register up to 60 students for each week.

WHERE is SOAR? SOAR days will begin and end at the Aurora Middle School. Campers travel by bus to the various field sites. We will be visiting Lake Mary (near Timberlake), Bader Park, Griffith Prairie & Farm and a new site on the Loup River near St. Paul.

WHY should you come to SOAR? Because it's a blast!!! You can get wet and do stuff you don't get to do during the school year. And you'll be learning some pretty cool things about where you live.

HOW much does SOAR cost? The registration fee for the entire week-long program is \$130, or \$110 for families who are Prairie Plains members. Financial assistance is available for a limited number of qualified Hamilton County applicants. For more information contact SOAR coordinator Jan Whitney, 402-694-5535 or janppri@hamilton.net.

SOAR 2010 Schedule: SOAR days will run 8:00 to 3:30 Monday through Thursday and 8:00 to 12:45 on Friday. There is also a Family Night program at the Aurora Middle School on Thursday evening, 7:00-8:00.
